3. **Supporting Facts.** State as briefly as possible the FACTS supporting Claim II. Describe exactly what **each Defendant** did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

I have been held in jail to answer too a charge brought up against me by the Superior Court of California in the County of Kern, to be tried before a jury of 12 from the public for possession of a firearm, P.C. 29800(A)(1), Carrying a concealed Firearm, P.C. 25400(A)(2), and Possession of Ammunition, P.C. 30305(A)(1). When in fact we as the people of the United States of America had Declared Freedom from England and provided a list of grievances against the King of Britain on July 2 1776, and on July 4 1776 the Declaration of Independence was adopted for one of these same reasons. It is one of our unalienable Rights as the People of the United States to keep and bear arms for our safety and happiness under the bill of rights that was ratified on December 15, 1791 by Virginia's legislature. With that being said the Judge/Judges have not gave me the equal protection of the law by requesting that I be further held in custody to be brought before a jury to answer to the charges that have been allegedly stated.

4. **Injury.** State how you were injured by the actions or inactions of the Defendant(s).
